Where to Find Install Instructions.

Most of us fancy ourselves as someone who can confidently put together an IKEA flatpack based on experience and intuition alone, but the reality is a lot more humbling. The good news is that in 2023, there is no shame in asking for the instruction manual.

But if you've lost, misplaced, or destroyed the assembly instructions that came with your OLG office furniture, where can you find a replacement?

In this article, we'll link you to OLG's manual repository as well as list some backup sources, so you're never left trying to figure out where the final two bolts go.

Physical Instruction Manuals

The vast majority of OLG's products come with a printed, physical instruction manual. The best place to look is in the box containing the product's legs.

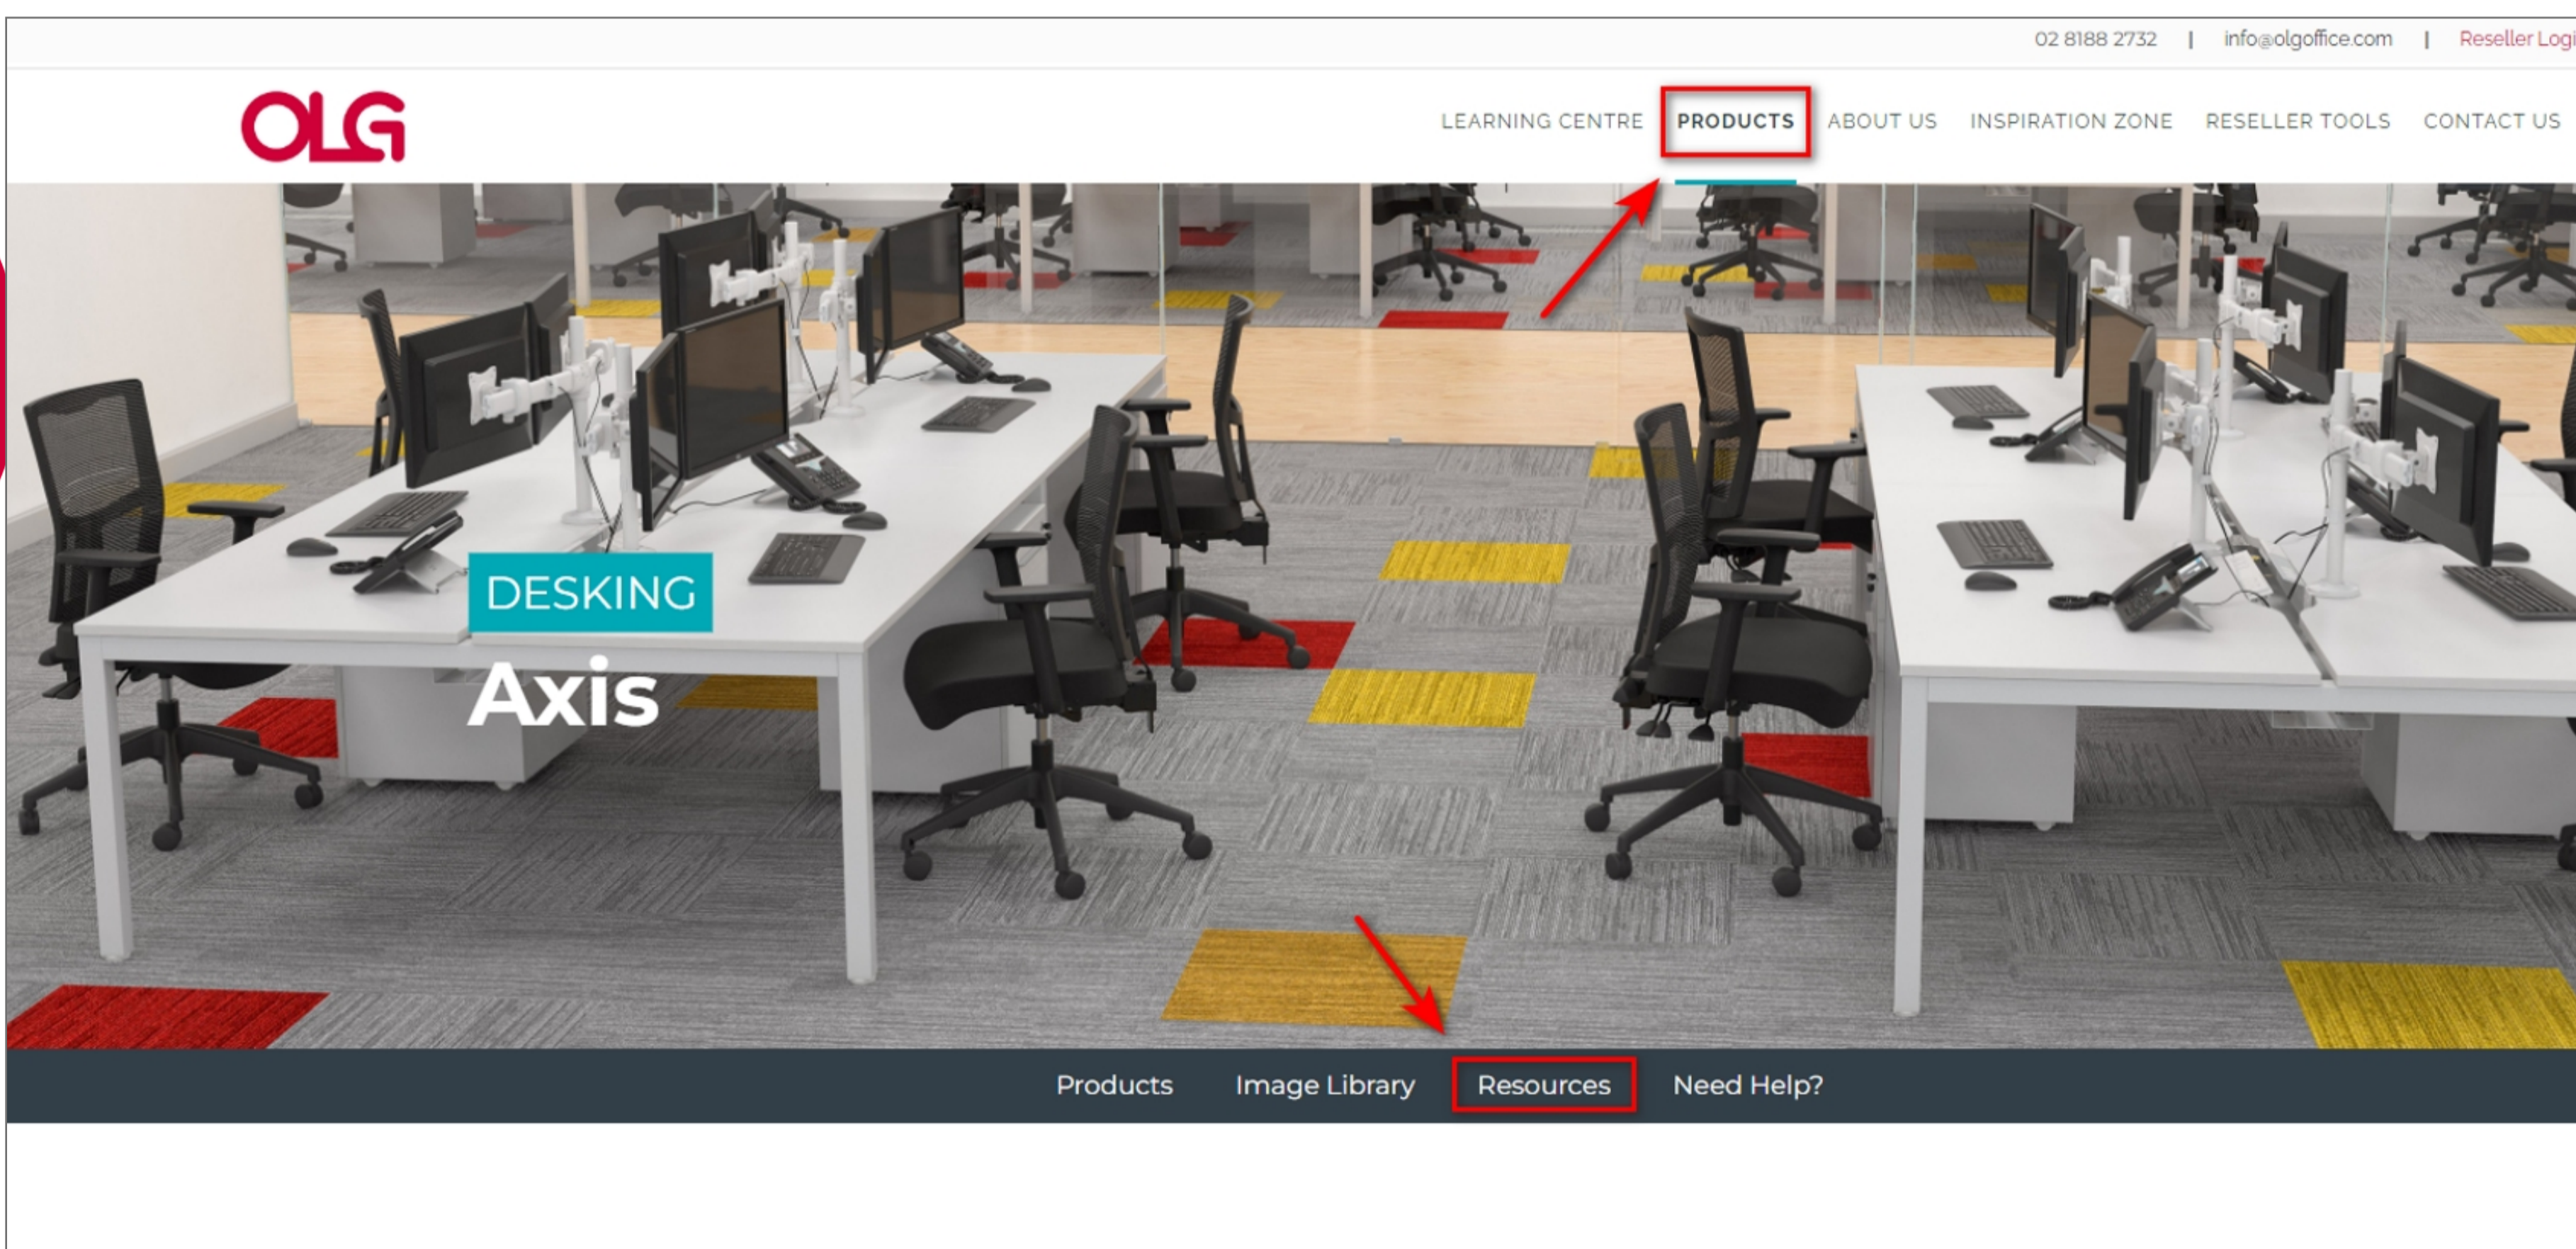

Instruction Manuals Online

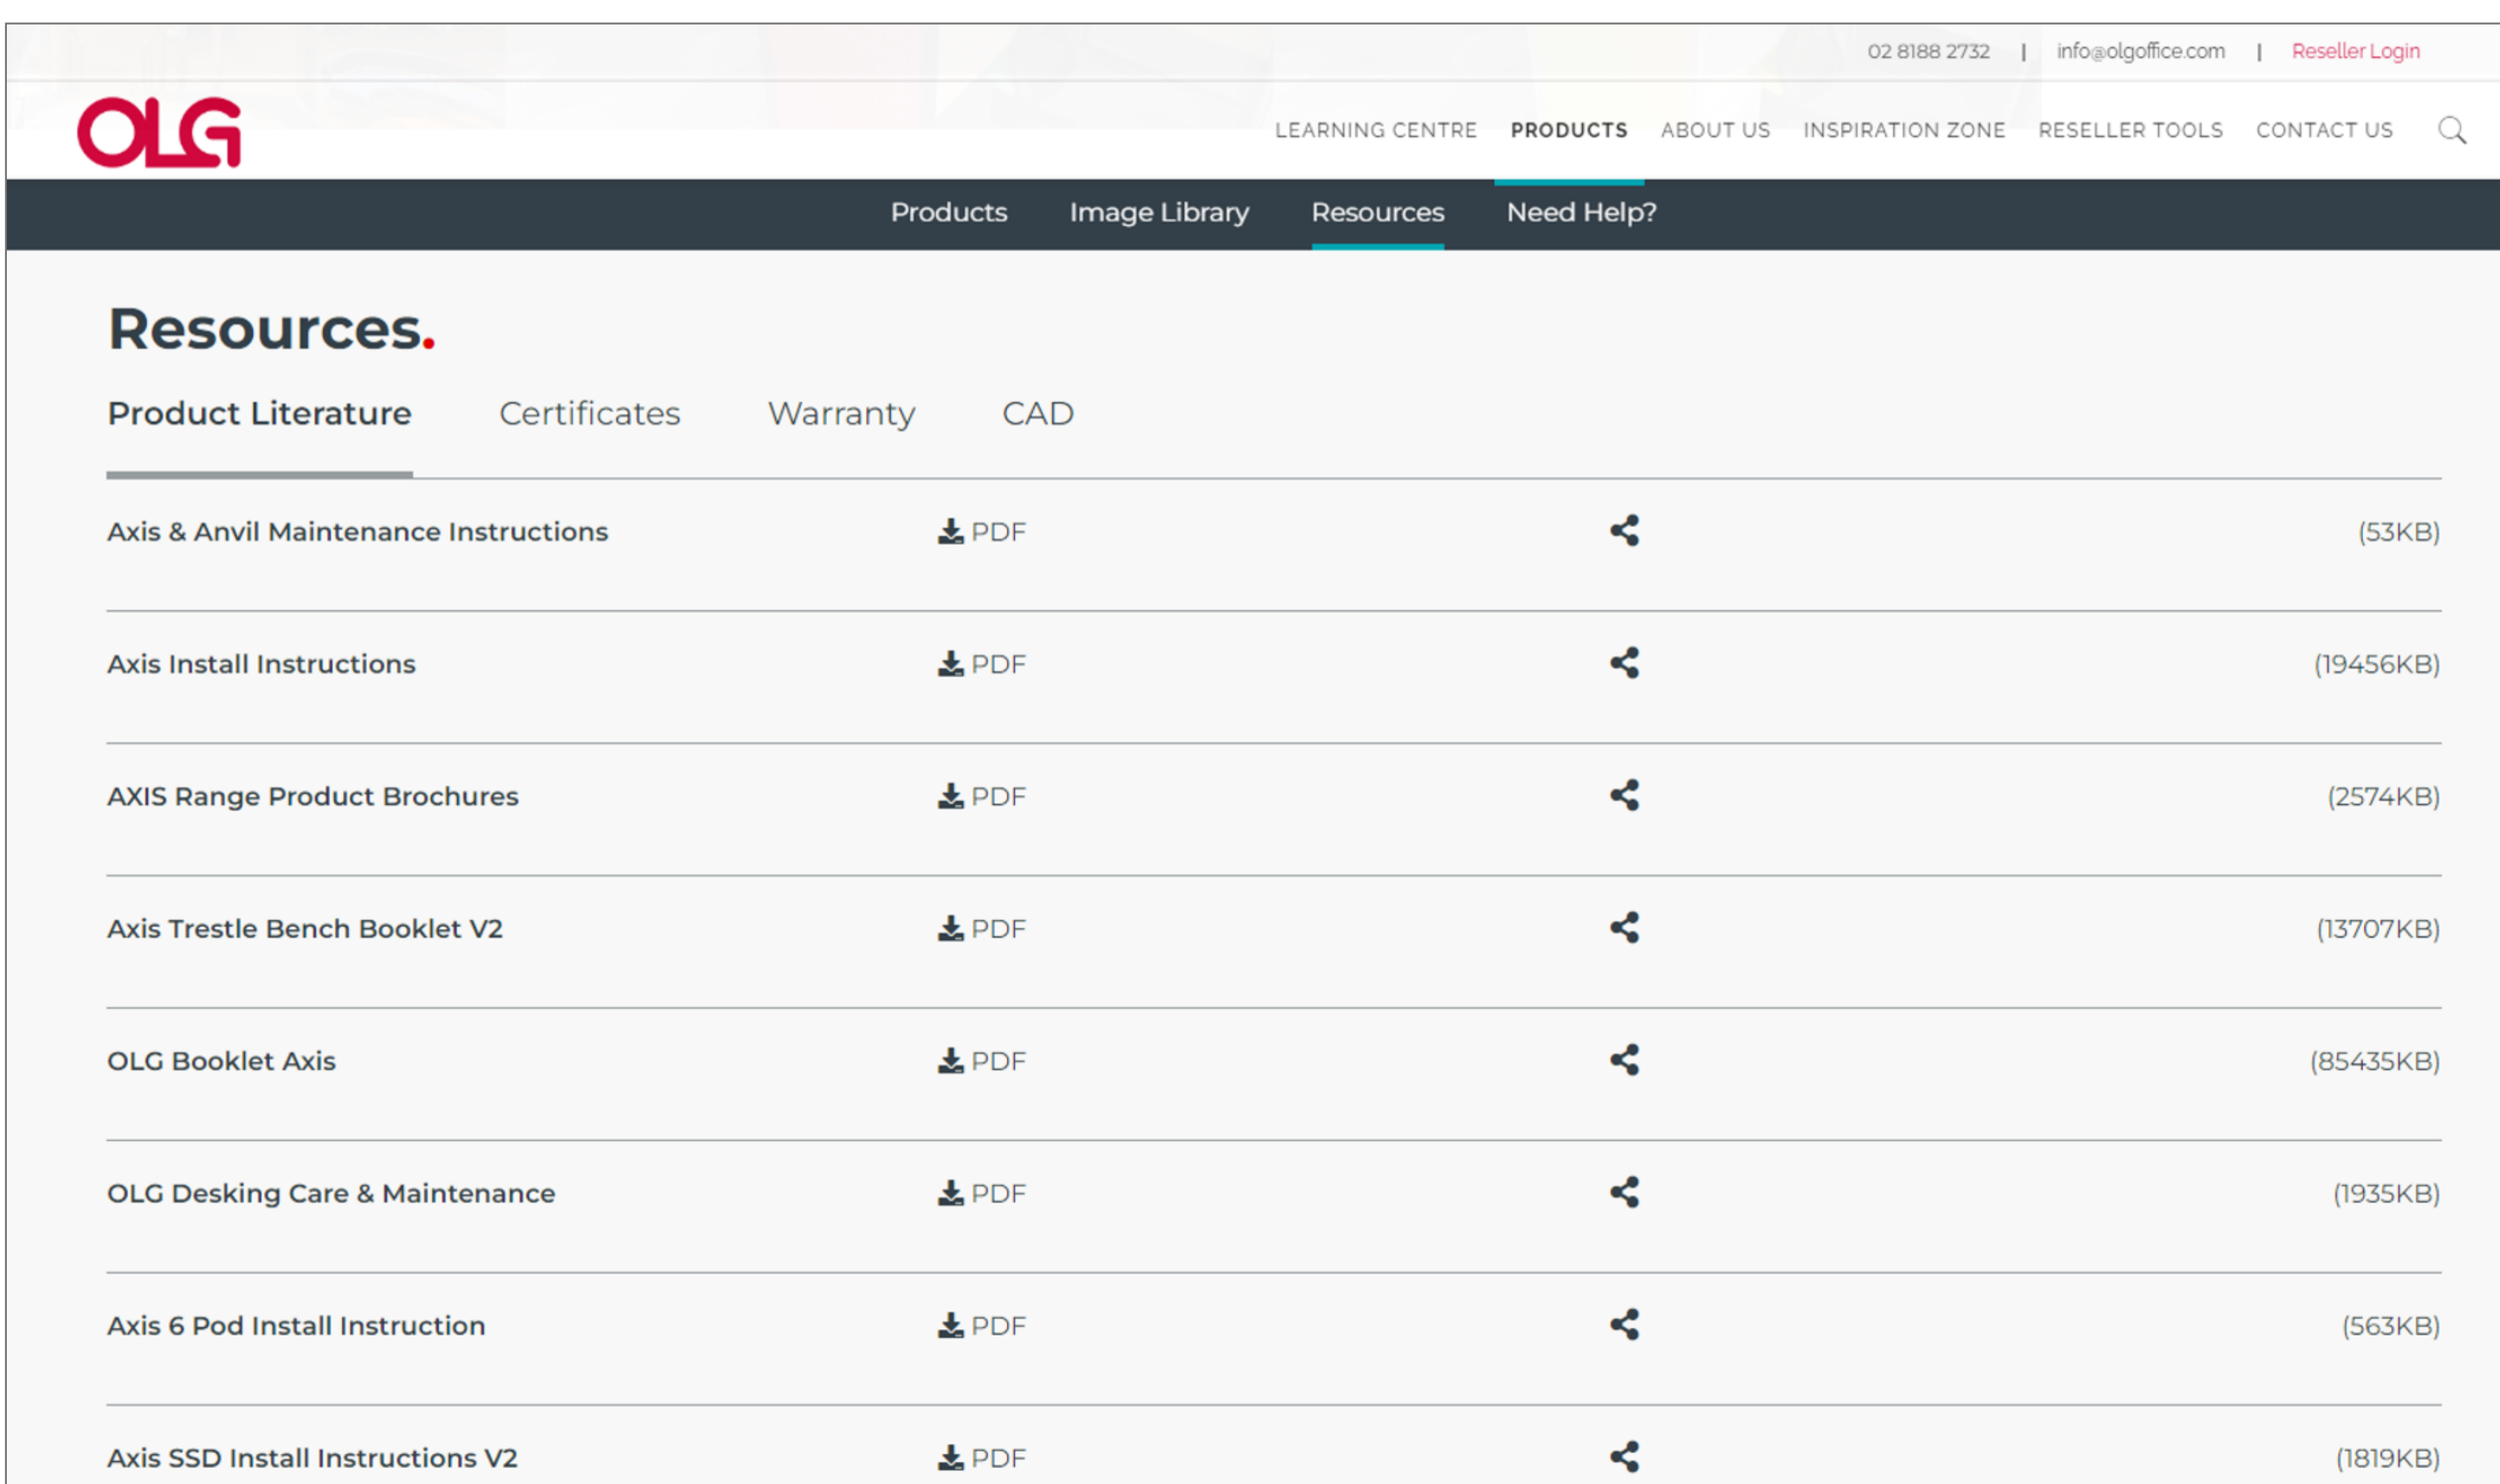

Instructions manuals go missing all the time. Whether accidentally thrown out, or lost amongst a pile of boxes and packaging, instruction manuals are the most commonly replaced item in our whole inventory!

Luckily, all of our instruction manuals are available online at www.olgoffice.com

Simply click on the "Products" menu tab and select the relevant item. Then click on "Resources" to be taken to a repository of product documents.

Here you'll find maintenance and installation instructions, product brochures, certifications, warranty details and technical drawings (CAD).

Other Online Manual Services

There are many other independent manual services online if other sources are somehow unavailable. These include Manualslib and Manualzz.

If All Else Fails, We're Only a Phone Call Away

If all these methods fail, you're absolutely welcome to give us a call at [02 8188 2732](tel:0281882732) so we can arrange to send you a replacement manual.

Want to keep reading? Find out [what's new with OLG](#) or head over to the [OLG Learning Centre](#) to explore a curated archive full of educational articles and industry content, all completely free to use.

Still not convinced? These are just some of the reasons OLG is the preferred office furniture supplier for so many Australian resellers. If you need help choosing the best furniture wholesaler for your business needs, feel free to drop us an email at info@olgoffice.com or give us a call on **(02) 8188 2732**.
