Agile Flip tables
and Scroll chairs.

+ Agile Flip. The Space Saver.

Part of the popular Agile family, the Agile Flip table is our solution for flip tables that have a maximum tabletop width of 1200mm. Featuring a solid, one-handed flip mechanism and upright safety locks, the Agile Flip is mounted on a sturdy steel frame that has four distinct rail lengths.

Completed with swivelling, lockable castors, the Agile Flip table can easily be set up, reconfigured or rolled away for storage in no time at all.

The Agile flip table is the OLG solution for flip tables that need to be 1200mm wide across the worktops. The solid flip mechanism is mounted on a frame that has two foot options and 4 rail lengths.

Axis Meeting table
with Game chairs.

+ **Axis.**

The Minimalist Space Saver.

An embodiment of minimalistic elegance, the Axis desking system will transform your office into a haven of tidiness and sophistication. With its sleek design and clean lines, this desk system creates an aura of order and simplicity, effortlessly elevating your workspace to new heights.

Whether in open-plan spaces or private offices, the Axis desk system seamlessly integrates, making a bold statement wherever it is placed. Customisation is key, with a range of options to choose from—five frame colors, two worktop colors, and multiple worktop sizes—allowing you to tailor the desk to your exact preferences.

Axis Workstations work well with either Studio50 or AcoustiQ screens. These screens not only complement the aesthetics of the desk, but can also serve as modesty panels, seamlessly integrating with walkways for a cohesive and professional look.

Axis Tables range includes Coffee tables, Meeting tables, Bar Leaners and Height Adjustable Flip tabl

Uni Flip Table
and Adapata Chair.

+ Uni Flip.

Versatile, mobile and quick-setup table.

The Uni Flip Table is a versatile and modern solution designed to meet the demands of dynamic workspaces and meeting environments. Equipped with swivelling castors, including two lockable ones for stability, this table offers unparalleled mobility. Its standout feature is a strong flip mechanism with safety stay-upright locks, ensuring both ease of use and safety.

Beyond functionality, the Uni Flip Table is designed with an eye for aesthetics and practicality, featuring black 70mm castors for smooth movement, and a one-piece welded foot for enhanced stability. Available in multiple colourway finishes, it fits seamlessly into any office aesthetic.

This table is the perfect choice for offices that value style, functionality, and the ability to quickly reconfigure spaces to suit changing needs.

Uni Flip Table features strong welded foot option for your training rooms. The Uni flip tables come in four quick-ship frame colours and 4 frame sizes. The strong mechanism closes with safety stay up locks standard.
