

Environmental Policy

OLG Office Pty Ltd ("OLG") specialises in the design, importing, manufacture and supply of workplace furniture to a reseller network, throughout Australia.

Considering the purpose and context of the organization, and the condition of the environment in which the company operates, the management of OLG is committed to the continual improvement of the Environmental Management System, according to compliance obligations, by following the principles and requirements of the ISO 14001:2015 Standard.

Environmental objectives are established and reviewed by Management at regular intervals.

All employees of OLG are acting to protect the environment by preventing and eliminating environmental pollution through:

- Continual education in order to prevent environmental pollution, preserve natural resources, and improve the Environmental Management System
- Continual raising of environmental awareness
- Exploration of new materials with smaller environmental footprints and improvement of hazardous waste management
- Decrease of non-renewable energy consumption and replacement with renewable energy sources
- Activities that emerge from the operating environment of the organization
- Following environmental best practice in order to decrease environmental pollution, and prevent degradation and damage to the environment
- Elimination of adverse impact on water, soil, air, and biodiversity.

This Environmental Policy is communicated to all persons working for or on behalf of the organization and is made available to the public if requested.

This Policy is endorsed by the Executive Management of OLG.
