Product **Specifications**

Vista Seating Range.

Elevate Your Space with the Vista Seating Range.

Discover the versatile Vista seating range, available either fully upholstered or with a comfortable but robust single-moulded polypropylene shell.

Choose from four distinct models – Swivel, Glide, Pivot, and Rise – to perfectly equip your meeting rooms, breakout areas, and conference spaces. The stackable Vista Glide is ideal for maximizing space efficiency, accommodating up to 15 chairs high or 10 on a link trolley.

The Swivel and Pivot models feature a contoured seat and backrest in your choice of upholstery colour. The Pivot has four fixed legs, while the Swivel boasts a sturdy nylon 5-star base with 60mm castors, ensuring mobility and stability. Both models have a 140kg weight rating for lasting durability.

With a 10-year warranty, the Vista range offers peace of mind and long-term value. Experience the perfect blend of comfort, durability, and modern design with Vista Change.

Key Features

A. Moulded Seat & Back
Single moulded polypropylene shell is comfortable, robust, easy to clean and is available in multiple colours.

B. Fast Assembly
Includes required tool 'bits' and configured to make assembly time even faster.

C. Seat Upholstery
Available as either fully upholstered or just the base (Glide & Rise) with moulded foam for the ultimate comfort.

D. Strong & Durable
Constructed from strong, rigid, steel frame provides 140kg weight rating that is very light and easy to carry.

Vista Seating Range.
