Studio50
Features & Benefits

|			
NON WARP	**Light weight, industrial strength panels**	Studio50 is an innovative combination of a 50mm aluminium frame and extruded polymer-resin foam core. Example: A finished 1800 x 1200mm panel is less than 9kgs!	Studio50 is not only extremely rigid but is also conveniently light-weight! A dream to install and reconfigure. 1 person lift!
AUTO LOCK	**Precision engineered auto-lock system**	The Studio50 frame is designed for the Australian office, featuring an ingenious system to enables partitions to slide together and automatically lock into position.	Studio50 shaves valuable minutes off each screen installation. Example: Install 10 floor standing partitions within approx 12 minutes – with minimal need fortools!
	Pinnable surfaces	Studio50's extruded polymer-resin foam core is an ideal pinnable surface.	Keeps work areas organised as well as personalised.
	100% Recyclable frame and core	Both the Studio50 Aluminium frame and extruded polymer-resin foam core are 100% reusable and recyclable.	Not only is Studio50 built to last, it can be reused or recycled – reducing the environmental impact in the future.
	Glazing options	The versatile Studio50 frame offers plenty of options to use glass in your office partition. From partial to full glazing – the choice is yours!	A customised screen system makes your office tidier and more efficient.
freeway DESIGNED	**Quality components**	Every component has been meticulously designed in New Zealand specifically for Studio50 office partitions.	Highly effective and easy to use – these cast aluminium Studio50 parts are built to last!
EASY INSTALL	**Easily connect multiple frame heights**	Because the Studio50 frame links and locks along the entire edge of the screen, you can connect any height together – without the need for any unsightly connectors!	Work areas can be specifically designed to suit the function of the room – makes an office run more efficiently.
FABRIC OPTIONS	**Your choice of fabric**	The pinnable faces of a Studio50 screen can be finished in the fabric of your choice.	Studio50 makes it easy to add colour to your office space and co-ordinate with the overall interior design.
	Mobile Notice-Board Feet	The pinnable faces of a Studio50 screen can be finished in the fabric of your choice.	Studio50 makes it easy to add colour to your office space and co-ordinate with the overall interior design.

Studio50
Features & Benefits

Sturdy work-surface brackets		The Studio50 desk bracket locks securely to the frame using a captive plate system.	*Worksurfaces can be placed at a height that best suits the user in a tidy manner.*
Multiple colour options		By adding a transom to your Studio50 screen you are able to have more than one colour on your screen.	*Studio50 makes it easy to add colour to your office space and blend well with the overall interior design.*
Powdercoated Frames		Standard frame colours are Black or White powdercoat – more colours available upon request. *MOQ may apply	*Suits any office.*
Tidy, easy-access cable tray		The hinged Studio50 cable tray opens quickly and easily. Gently lever the door open - once your cables are in position simply click the door back into place.	*Easy access to power and data means less installation time which saves you money!*
Adjustable foot		Studio50 stands on an adjustable levelling glide with 35mm travel.	*Allows plenty of room to level screens on an uneven floor.*
Relocatable hanging shelf options		Studio50's aluminium shelf-track allows for multiple attachments to be applied to the screen. For example; add two Studio50 shelf-tracks to create the platform for mounting a standard monitor arm - at any height, anywhere along the screen.	*Easily add items that make a workspace more functional for a user: Pen holders, monitor arms.*
Stability feet		The unobtrusive Studio50 foot is simple to install and keeps the partitions rock solid.	*Easily create definition in an open plan environment with a Studio50 free-standing partition.*
Integrated shelf brackets		Secure the shelf at any height with the custom made shelf bracket. Once installed the shelf can be easily moved to a new position.	*Organising your work space has just got easier and more flexible. Place your shelf anywhere at any width with the Studio50 aluminium shelf-track.*
Whiteboard Option		Incorporate whiteboard elements into the Studio50 panel for a writable surface .	*Studio50 makes it easy to add colour to your office space and co-ordinate with the overall interior design.*
