

Grove Sofa.

Product **Specifications**

Grove Sofa.

The Grove Sofa offers a modern, modular approach to commercial seating, fitting into any contemporary commercial space.

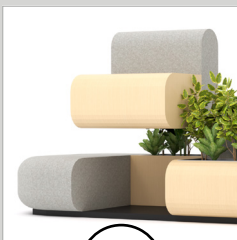

Featuring soft curves and edges, it incorporates current design trends to create a visually appealing and inviting atmosphere. The system includes matching plywood modular tables and planters, adding natural wood accents to enhance any setting. Built for durability, the Grove Range uses heavy-duty commercial fabric options suitable for 24-hour use, ensuring long-lasting performance and comfort. With 90° and 60° corners, this sofa system accommodates various plan layouts, providing flexibility for any environment. Available in both double-sided and single-sided configurations, the Grove Range meets specific sizing and collaboration needs.

The Grove Sofa combines style, functionality, and durability, making it an ideal choice for dynamic commercial spaces.
