Axis Desking.

Featuring a powder-coated black or white rectangular frame, a fixed height of 715mm and an 80mm height adjustment in each foot, the Axis range is as stylish as it is functional.

The Axis is available in an infinite number of arrangements from straight, double sided and pod configurations to complex, hybrid setups. With endless design options, the final result is only limited by your creativity."

Features

Worktop is E0 grade – the highest environmental rating available

Peice of mind with 2mm steel frame for extra strength & stability.

Extra top support brackets for even greater bracing and increased weight rating.

Black or White powdercoat finish provides added protection & easy cleaning.

Multiple rail positions on the frame means less worry about the rails interferring with your power box.

All tools included & configured for a quick install

80 mm height adjustment in each foot for those unlevel office floors.
