

Ascend Tech Adjust Flip.

Engineered to complement the needs of the education industry across Australia, the Ascend Tech Adjust is the dynamic solution for a wide range of training and learning spaces.

Features

Technician adjustable in 40mm increments from 600mm to 840mm (includes measuring worktop thickness)

Easy use no wobble flipping mechanism one handed pull bar with just the right tension for ease of use

Safety locking- when tilted upright, the mechanism has locking stays on each mechanism to prevent accidental return to horizontal.

The tables fold and nest together to give 80% more space for other activities.

25mm environmentally friendly EO grade worksurfaces in melamine, with matching ABS edging.

4 x Large easy-roll locking castors
