

# Logic Chair.

The Logic training chair is robust, comfortable, and ideal for training rooms, conferences, education, and healthcare. It features a reclining, breathable mesh backrest, heavy-duty castors, optional flip-up arms, and a fold-away A4 table. It nests and stacks to save space, perfect for mass seating situations.

## Features

Stackable to 4 high as standard or 10 high on special indent order with additional mounts.

Upgrade to a Logic chair with flip up arms so it still allows chair to nest as well as stack

Backrest has a built in recline function for comfort especially with long sitting times.

Large 60mm castors for ease of movement at a conference or training session.

High performance, breathable mesh encourages airflow for superior comfort in the longest meetings

Black eco-friendly powdercoated frames.
