Shaping Tomorrow's Workspaces.

At OLG, we are your partner in crafting the building blocks of future workspaces that spark productivity, creativity and well-being. This product brochure is a knowledge tool that will support you as you step forward to a future of inspiring workspaces.

Adapta.

Versatile Seating for Inspired Learning.

Designed with versatility in mind, the Adapta chair offers a space-efficient solution ideal for the educational sector.

Its design focuses on adaptability and comfort, featuring a flexible, perforated backrest and a mechanism that adjusts tilt tension to your weight, ensuring personalised support. The chair's ease of mobility is enhanced by castors on each leg, and its folding seat allows for efficient nesting and storage, making it perfect for classrooms where space is at a premium. With options for a black powder coat or chrome finish and the addition of a removable tablet arm, the Adapta chair is a practical, versatile seating choice for any educational setting.

Adapta

Product Range

Features

Versatile Design:

Ideal for education settings, collaborative workspaces, and conference rooms, adapting easily to various needs.

Colour Guide

Tilly.

Affordable Comfort, Reliable Performance.

The Tilly task chair is designed for everyday comfort, featuring high-density foam cushioning and a taller backrest for lasting support. With height-adjustable arms, lumbar support, and a mesh back, it offers essential ergonomic comfort tailored to user needs.

The enhanced gas lift accommodates a variety of heights, while durable 60mm PU castors ensure smooth mobility across surfaces. BIFMA certified and built to balance quality and value, the Tilly task chair supports up to 140kg and is backed by a 10-year warranty, making it a reliable choice for functional workspaces.

Features

Designed for Everyday Comfort:

High-density foam cushioning and taller backrest provide lasting support.

Essential Ergonomics:

Adjustable arms, lumbar support, and mesh back offer ergonomic comfort.

Balanced Quality and Value:

Built to meet all core ergonomic needs at a competitive price, making it an ideal choice for functional workspaces.

Enhanced Range:

Taller gas lift accommodates a variety of user heights.

Smooth Mobility:

Durable 60mm PU Castors support stable movement across surfaces, ensuring efficient daily use for extended periods.

Depth	470mm	610mm
Height	445-560mm	995-1115mm
Armrest	280mm	

Urban Mesh.

Seating Comfort, Built to Last.

The Urban Mesh chair is engineered for durability and adaptability, perfectly suited for high-usage environments.

It features three adjustable levers, allowing users to fine-tune seat height, tilt, and backrest recline to fit their body's needs. The chair is designed with a mesh backrest for breathability and a high-resistance molded foam cushion for support. Notably, it offers customisation through reupholstering in any fabric choice, alongside our standard breathable MotionFelt or black Breathe fabric options.

Optional upgrades include armrests, a gas lift, and a chrome foot ring, enhancing the Urban Mesh's functionality and comfort for any workplace setting.
