

The OLG logo is positioned in the top right corner, consisting of the letters 'OLG' in a white, sans-serif font inside a dark red rectangular box. The background of the entire image is a series of overlapping, parallel diagonal bands in various colors including red, orange, yellow, green, and blue, creating a sense of depth and movement.

Light, seamless, refined

A minimalist solution for modern workspaces, Edge25 Screens embody refined simplicity and intelligent design. Engineered for seamless integration, the system features sleek, slimline connectors crafted from powder-coated aluminium, enhancing both durability and aesthetics.

Designed for efficiency, Edge25 is 70% lighter than traditional screens and utilises 50% fewer components, allowing for faster installation and reduced environmental impact. Choose from a curated palette of 10 colourways in Edge25 fabric (55k Martindale rub rating) or opt for the luxurious Sunday fabric in 60 colours, with an industry-leading 110k Martindale rating.

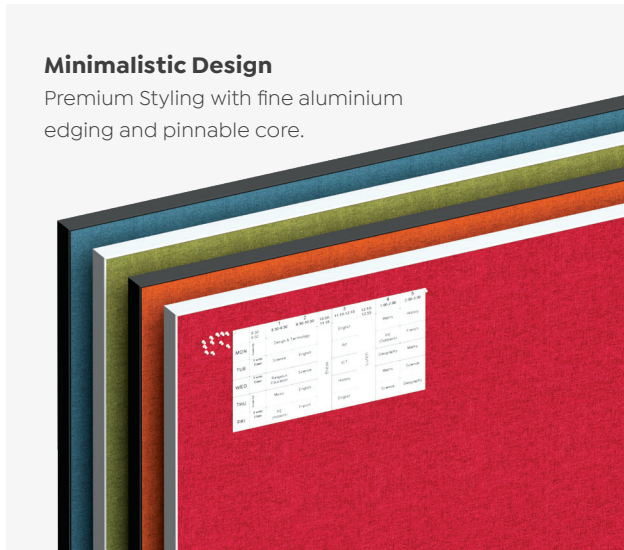

Fully pinnable and available in custom sizes, Edge25 offers a tailored solution for dynamic work environments. Made in Australia, backed by a 10-year warranty, and designed to elevate acoustic and visual privacy, this is a screen system that works as hard as you do.

Defining Features.

The OLG logo is positioned in the top left corner. It consists of the letters 'OLG' in a bold, white, sans-serif font. The background of the entire page is a vibrant, multi-colored geometric pattern of overlapping, parallel lines that create a sense of depth and movement, transitioning from teal and green on the left to yellow and orange in the center, and finally to a solid red on the right.
