Klass Rectangle.

German Innovation, Enhanced Design, Endless Possibilities.

Product Specification

10 YEARS WARRANTY

140 KG WEIGHT RATING

AFRDI

Global GreenTag CertTM Certified LEVEL C GreenRate™

Klass Rectangle.

Product Features

Klass Rectangle Highlights

Smart Cable Management & Power Integration

Adjustable tray supports integrated or segregated cable management, with punch-outs and plate options compatible with CMS, Elsafe, and other providers for tidy, flexible power integration.

Smart Intuitive Controls

A 3-point memory control with LCD readout allows customised height settings, anti-collision sensitivity, and programmed limits for ergonomic precision at the touch of a button.

Flexible Workspace Solutions

Available in single, back-to-back, and return layouts, the ergonomic design adapts to individual, collaborative, or executive setups, supporting comfort and productivity.

Certified Quality & Sustainability

AFRDI and Global Greentag certifications guarantee robust build quality and eco-friendly practices.

Klick & Rise Frame

Assembles in under 5 minutes, with pre-fitted bolts, which means fewer parts to manage and less time on site.

German Engineering & Design

Precision-crafted with superior German technology for enhanced durability and aesthetics.

Frame Operation

<41dB sound rating and 38mm/s adjustment speed.

Quality Control

Each leg is test-cycled three times before packing, ensuring strength, reliability, and consistent quality in every unit.

Additional Features

Larger span frame available. Worktop corners have an option to be rounded. See detailed shots for reference.
